

<p>You don't have your homework again. The teacher will not believe the same old story. You need to invent a new excuse!</p>	<p>You were at a party with friends. Your mother told you to call her at 11pm and let her know you are OK. You forgot and your mom was very worried. Now you need to explain yourself!</p>
<p>Your mother gave you 50 euro to pay for the school books. You spent the money on clothes. Now you really need to pay for those books! How can you convince her to give you 50 euro again?</p>	<p>Your friend asked you to water her flowers when she was on holiday. You forgot and now all the plants are dead! She is really upset so you need a good excuse!</p>
<p>Your friend lent you an iPod and you lost it. Now the friend wants his iPod back. You need to invent a good excuse!</p>	<p>Your dad gave you the keys to his car. When you were driving you scratched the door! Your dad is really mad. Come up with an excuse!</p>

<p>Your aunt wants you to help her clean her attic. You really don't want to spend your Saturday doing this. Think of an excuse!</p>	<p>You organized a party when your parents left the town. Your friends broke a very expensive vase. Now your parents are back and they want to know what had happened to the vase. Have you got an excuse?</p>
<p>Your dad asked you to buy a cake for your mother's birthday but you forgot. Now there is no cake at the party! How can you explain yourself?</p>	<p>A friend from school asked you out on a date. You really don't want to go out with them but you don't want to hurt their feelings. You need a good excuse!</p>
