A B O U T

EDUCATION

be into

I'm really into ancient history these days.

- What were you into at school?

to be very interested in something

fall behind

Jake hasn't been to school in weeks. He is falling behind in all subjects.

- What can you do if you fall behind at school?

to fail to do something fast enough or on time

go over something

Let's go over our English notes one more time before the exam.

- Do you often go over your notes?

to talk or think about something in order to make certain that it is correct

drop out

Sue dropped out of university after just one semester.

- Why do people drop out of school?

to stop doing something before you have completely finished
